AUDITION REQUIREMENTS

Certificate in Songwriting and Music Production

The Certificate in Songwriting and Music Production program is intended for talented musicians, composers, and producers of all stripes. Singer-songwriters, writer-producers, film and media composers, beatmakers, rappers, and performance artists may all apply. There are no stylistic requirements or boundaries on the program; therefore, applicants must demonstrate their unique artistry through two submissions.

AUDITION REQUIREMENTS:

Include a link of your MP3 or WAV files of two songs within your Application for Admission which meet the following criteria:

- At least one submission must be an original work that you composed; the other may be a cover or another original. Your production and arrangement choices should showcase your unique musical style and artistic vision.
- At least one submission must be a work that you produced in some way. Qualifying types of music production include, but are not limited to, recording and/or mixing audio, programming MIDI instruments, and inserting and manipulating audio samples. Please provide a brief written explanation of your involvement in the production of at least one of your submissions.

NOTE: One submission may satisfy both requirements, but you must still submit two songs in order to be accepted into the Certificate in Songwriting and Music Production program.
